

Lowering Costs Through Unique Solutions

AMERIGLOBE

Seed Bag

The Seed Industry has suffered with leaning and sometimes falling bags for years. AmeriGlobe's unique approach to bag design offers a great solution. Our baffle bag and patented top work together to get your bags filled completely, creating a stable, safe package that saves you money.

Are you spending money to have someone help your forklift operators drive into the lift loops? Would you like to put that money back into your budget? We can help! Because AmeriGlobe can help you get your bag truly full, you can take advantage of lift loops that stand-up and stay open for your drivers.

- > Reduced Warehouse Costs
- > Improved Safety
- > U.S. Back-up
- > Increased Stability
- > Fewer Damaged Bags
- > Reduced Handling Labor
- > Designed for Treated/Untreated Seed
- > A Delivery Guarantee

Most companies claim to offer better bag prices. AmeriGlobe's systematic approach lets us find ways to save you more money. Call AmeriGlobe to try our Seed Bag and let us show you what you have been missing.
